### What is Notre Dame Vision?

Notre Dame Vision is a summer conference at the University of Notre Dame. As a participant, you will have the opportunity to explore how God is calling you and how to respond with your gifts in your daily life.

### Who comes to Notre Dame Vision?

High school students from across the country participate in Notre Dame Vision. If you will be entering grades 9–12 in the fall of 2012, or are graduating in the spring of 2012, Notre Dame Vision is for you!

### What happens at Notre Dame Vision?

We believe that God calls each of us to live fully and faithfully. Throughout the week at Notre Dame Vision, we unpack this call in many ways, including dynamic large group experiences, interactive small group time, profound liturgies, and excellent music.

### Who leads Notre Dame Vision?

The leaders of Notre Dame Vision are a collection of some of the best speakers and musicians from across the country, faculty and staff from the Notre Dame community, and, most important, 60+ Notre Dame students who work closely with the high school participants. These Notre Dame student-leaders prepare for your Notre Dame Vision experience throughout the year in classes, retreats, and training workshops.

### Is there something for adults at Vision?

Yes! Notre Dame Vision for Campus and Youth Ministers (CYM) is a conference for high school, parish, and diocesan youth ministers hosted each summer at Notre Dame. Look for more information on the Notre Dame Vision website.

### Why should I attend Notre Dame Vision?

Everyone wants to know who they are and where they are going in life, especially during high school. Notre Dame Vision helps you on this journey by introducing the process of recognizing God's call and choosing how to respond. Whether or not you have been active in parish or campus ministry, feel strong in your faith or have more questions than answers, we invite you to attend. Come to Notre Dame Vision for Confirmation preparation or follow-up, for a pre-college experience, to complement diocesan youth programs, to grow in your faith, to seek clarity in your Christian calling, or to participate in a vibrant community. Come alone, with a few friends, or with a group of any size. We would be thrilled to welcome you to Notre Dame!

### What if I have already attended?

Come back! As a returning participant, you will take part in Notre Dame Vision Plus, which builds upon your previous Notre Dame Vision experience. You will share in a small group with other returning participants, spend time with a returning college mentor, engage in a session offered specifically for returning participants, and receive a Notre Dame Vision Plus t-shirt. Hundreds of young people have attended multiple conferences—there is always more to explore! Just be sure to leave your expectations behind, open yourself to a new experience, and bring at least one new person with you.
